OBITUARY.

Died, on Wednesday, the 3d Sept., after a severe spell of flux fer 30 days, Eugenia V. Smith, daughter of Willis Smith, aged 8 years and 7 days. The subject of this notice was a most beautiful and lovely child, much esteemed by her school mates and associates. Her seat in her class will be much missed. While it was the will of God to call her from time to eteruity, we believe our loss will be her eternal gain. Call and see them. I will remain in town some two or three weeks longer, and if any one wishes to The South Carolina State earn the new art, I can fearn them much quicker than Daguerreotyping. "Never until now have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me almost bind, besides the intridutable pain; at others it settled in the scalp of my head, and distroyed my hair, and has kept me parily bold all my days, sometimes it came out in my fare, and kept it for months a raw sore "About nine weeks ago I commenced taking your Cathartic Palls, and now am entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.

"Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wile was cared, two years since, of a severe and dangerous cough, by your Cherary Tevroval, and eince then has empred perfect health. My children have several times been cured from attacks of the lidnitiae and Croup by it. It is an invaluable remody for these compaints. Your Catharrie Pries have entirely cired me from a dyspepsia and conference, which has grown upon me for some years,—indeed, this care is much more important, from the fact hat I had failed to get relief from the best Physicaus which this section of the country affords, and fush any of the numerous remedies I had taken.
